

Funding cards

The cards were developed for training and capacity-building purposes by Carlotta Fioretti and Marion Cugnet, based on multiple online sources:

- The Covenant of Mayors Financing Opportunities [platform](#)
- The Rural Toolkit [Funding finder](#)
- The Spanish Urban Agenda [Guía de fondos](#)
- Relevant EU programme webpages

They refer to the 2021-2027 programming period.

For information on currently open EU funding opportunities, please refer to the official **EU funding and tenders portal**

Sustainville 2030 Scenario and Canvas

The Sustainville 2030 Scenario materials and canvas were developed for training and capacity-building purposes by Carlotta Fioretti.

Although fictional, the scenario material was inspired by real case studies included in the [Policy Atlas of Sustainable Urban Development for Small Urban Areas](#) (JRC, 2023), and on a selection of [EUI Innovative Actions projects](#).
